Send registration form and payment to:
Adler Aphasis Center, Attn: SLP WORKSHOP
60 West Hunter Avenue, Maywood, NJ 07607

Or FAX completed registration form to:
(201) 587-1909

For further information: (201) 368-8585
amay@adleraphasiacenter.org

Adler Aphasis Center is a non-profit 501(c)(3) organization.

EDUCATIONAL OBJECTIVES

Participants will:

1 Describe the hallmark features of apraxia of speech as it presents at various points of chronicity and with varying severity.

2 Utilize perceptual methods to describe speech features for the purpose of differential diagnosis.

3 Discuss how assessment and treatment methods are employed with patients experiencing apraxia of speech at various points of chronicity and with varying severity.

4 Employ tools to assist in identifying and evaluating the most relevant research findings to inform evidence-based practice.

ABOUT ADLER APHASIA CENTER

The Adler Aphasis Center is committed to provide help for those living with aphasia and their caregivers and to expand awareness and knowledge of aphasia. We are a comprehensive long-term aphasia treatment program whose mission is expressed through the delivery of many services. As one of only a few aphasia-friendly communities in the world:

- We provide a therapeutic environment of innovative programs that give people ways to live successfully with aphasia.
- We create opportunities for social connections.
- We train health care professionals to improve service delivery to those with aphasia.
- We conduct research through and partner with aphasia researchers across the country.
- We strive to make aphasia universally understood.

OUR LOCATIONS

Our full service, four day weekly programs are located in Maywood and West Orange. **Our two hour twice monthly** Aphasia Communication Groups are located in Bridgewater, Haddonfield, Hammonton, Maywood, Monroe, Morristown, Scotch Plains, Toms River and North Bergen (for Spanish speakers).

16TH ANNUAL SLP WORKSHOP

Apraxia of Speech in Adults with Acute, Chronic, and Degenerative Conditions

SPEAKER

Heather M. Clark

Ph.D., CCC-SLP, BC-ANCDs

*Chair of Speech Pathology, Department of
Neurology and Associate Professor in the School
of Medicine at Mayo Clinic, Rochester, Minnesota*

Friday, March 16, 2018
8:00 am – 4:00 pm

Adler Aphasis Center
60 West Hunter Avenue
Maywood, NJ

UNIVERSITY

AGENDA

8:00 – 8:30 am	Registration & continental breakfast
8:30 – 10:00 am	Welcome & speaker introduction <i>Apraxia of Speech: Features and Explanations</i>
10:00 – 10:15 am	Break
10:15 am – 12:00 noon	<i>Apraxia of Speech: Chronicity and Severity</i>
12:00 – 12:45 pm	Lunch (provided)
12:45 – 2:15 pm	<i>AOS Assessment & Differential Diagnosis: Chronicity and Severity</i>
2:15 – 2:30 pm	Break
2:30 – 3:45 pm	<i>AOS Treatment: Chronicity and Severity</i>
3:45 – 4:00 pm	Paperwork wrap-up & certificate distribution

COURSE DESCRIPTION

From its earliest descriptions, apraxia of speech has been the topic of debate with respect to its nature as a deficit in language and/or motor control, its clinical features, and the methods that most effectively address this perplexing communicative disorder. SLPs tend to feel best prepared to recognize and treat apraxia of speech during early rehabilitation after a stroke or other brain injury; yet the bulk of the AOS treatment literature describes benefits of treatment in the chronic phase of recovery. Moreover, a growing literature now recognizes that apraxia of speech can be the presenting feature of degenerative neurologic disease. This course will consider the state of the science surrounding apraxia of speech and review strategies for assessment and treatment with consideration of chronicity, severity, and concurrent impairments. Case examples will be employed throughout the discussion to allow participants to apply the concepts presented. Participant questions and involvement will be highly encouraged.

Disclosure:

Financial: Dr. Clark is receiving an honorarium for this presentation.

NonFinancial: No relevant non-financial relationships exists.

MONTCLAIR STATE UNIVERSITY

<p>APPROVED PROVIDER</p> <p>ASHA CONTINUING EDUCATION</p> <p>AMERICAN SPEECH-LANGUAGE-HEARING ASSOCIATION</p>	<p>Montclair State University, Department of Communication Sciences and Disorders is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.</p>

This course is offered for .6 ASHA CEUs. (Intermediate level, Professional area)

SPEAKER BIO

HEATHER M. CLARK PH.D., CCC-SLP, BC-ANCDs

Dr. Heather Clark is Chair of Speech Pathology in the Department of Neurology and Associate Professor in the School of Medicine at the Mayo Clinic in Rochester, Minnesota. She holds the Certificate

of Clinical Competence in Speech-language Pathology and is Board Certified by the Academy of Neurologic Communication Disorders and Sciences. Her clinical responsibilities include assessment and treatment of communication and swallowing disorders in adults and children. Over the past 20 years, her research has included a review of neuromuscular treatments, drawing heavily from the literature of related disciplines, including exercise physiology and physical rehabilitation. More recently she became involved as a co-investigator on a line of programmatic research exploring behavioral and imaging characteristics of neurodegenerative conditions characterized by early disturbance of language, speech, and/or swallowing.

COURSE FEES

Professionals registering before 3/2/18: \$125
Professionals registering after 3/2/18: \$150

Students registering before 3/2/18: \$50
Students registering after 3/2/18: \$75

Course Fee includes workshop, continental breakfast and lunch.
